

Invitation

Aquatic Animal Health Laboratory
OIE Reference Laboratory
C. ABDUL HAKEEM COLLEGE
(Autonomous)
(Re-accredited by the NAAC with 'A' Grade)

DBT – Sponsored National Workshop on
HANDS-ON TRAINING ON MOLECULAR DIAGNOSTIC
TECHNIQUES

12th to 17th FEBRUARY, 2018

To

From :

Dr. A.S. Sahul Hameed, Ph.D.,
Associate Professor,
PG & Research Department of Zoology,
C. ABDUL HAKEEM COLLEGE (Autonomous)
Melvisharam - 632509, Vellore District, Tamilnadu.
E-mail: cah_sahul@hotmail.com
Mobile : 9443211604

REGISTRATION FORM

Workshop on Hands-on Training on Molecular Diagnostic
Techniques

February 12th - 17th, 2018

Name:

Qualification:

Gender:

Designation:

Department:

Organization:

Address for correspondence:

Phone:

Email:

Registration fees details:

(Signature of candidate)

Forwarding from the Head of Institution/ Competent
Authority: Candidature of Dr./ Mr./ Miss/ Mrs.

.....working as
....., is forwarded for inclusion in
the Workshop on Hands-on Training on Molecular
Diagnostic Techniques - 2018.

(Signature and seal of Competent Authority)

Name:

Designation:

Please send the completed registration form to:

Dr. A.S. Sahul Hameed, Ph.D.,
Associate Professor,

PG & Research Department of Zoology,
C. ABDUL HAKEEM COLLEGE (Autonomous)
Melvisharam - 632509. Vellore District, Tamilnadu.
E-mail: cah_sahul@hotmail.com
Mobile: 9443211604

Patron-in-Chief

Mr. S. Z. Abrar Ahmed Sahib, B.A. C.S.,
Correspondent

Patron

Dr. S. A. Sajid, Principal

Advisory Committee:

Dr. A. S. Ninawe, Adviser, DBT, Govt. of India, New Delhi

Dr. S. U. Ahmed, Scientist D, DBT, Govt. of India, New Delhi

Dr. I.S. Bright Singh, NCAAH, CUSAT, Cochin

Dr. K.V. Rajendran, Principal Scientist, ICAR-CIFE, Mumbai

Dr. P.K. Sahoo, Principal Scientist, ICAR-CIFA, Bhubaneswar

Dr. A. Abdul Rahuman, C. Abdul Hakeem College

Dr. A. S. Sahul Hameed, C. Abdul Hakeem College

Dr. Feroz A Shah, Sher-e-Kashmir University of Agricultural Sciences and Technology, J&K

Organizing Secretary

Dr. A. S. Sahul Hameed, OIE Expert & FNAAS
Tata Innovation Fellow (DBT)

Workshop Co-ordinators

Dr. S. Vimal

Dr. S. Abdul Majeed

Dr. G. Taj

Dr. N. Madan

Research Scholars of AAHL

Aquatic Animal Health Laboratory

OIE Reference Laboratory

C. ABDUL HAKEEM COLLEGE

(Autonomous)

(Re-accredited by the NAAC with 'A' Grade)

DBT – Sponsored National Workshop on
**HANDS - ON TRAINING ON MOLECULAR DIAGNOSTIC
TECHNIQUES**

12th to 17th February, 2018

Organized by

AQUATIC ANIMAL HEALTH LABORATORY

PG & Research Department of Zoology

C. ABDUL HAKEEM COLLEGE (Autonomous)

Hakeem Nagar, Melvisharam - 632509.

Vellore District, Tamilnadu.

www.aahl.res.in

Sponsored by

Department of Biotechnology
Ministry of Science and Technology
Government of India, New Delhi

ABOUT INSTITUTION

C. Abdul Hakeem College is managed by the Melvisharam Muslim Educational Society which was established in 1919. It is located at Melvisharam, Vellore Dt., Tamilnadu, approximately 120 Km from Chennai on the Chennai-Bangalore National Highway. The College is affiliated to the Thiruvalluvar University, Vellore. The college has been Re-accredited by the NAAC with 'A' grade and has been given autonomous status by UGC. At present, the College offers 11 Courses at Under-Graduate level and 6 Courses at Post-Graduate level, apart from facilities for research leading to the award of M.Phil. and Ph.D.

ABOUT AAHL

Aquatic Animal Health Laboratory (AAHL) is a part of the Department of Zoology, C. Abdul Hakeem College. This Laboratory has been involved in research on diseases of economically important aquatic animals since the year 2000. It maintains strong working relationships with National and International research organizations, aquaculture industries, farmers and hatchery operators. The objective of AAHL is to carry out research work on diseases of aquatic animals, particularly on developing diagnostics and control and preventive measures. The activities of the AAHL are coordinated by Dr.A.S.Sahul Hameed (Research Coordinator).

More than 100 research papers have been published on diseases of aquatic animals in well reputed International Journals with total impact factor of more than 250, citations 3076, h-index 35 and i10 index 66. The AAHL has 6 ongoing and 24 completed research projects funded by DBT, DST, UGC, ICAR, NFDB, MoES, IFCPAR and BIRAC with total cost of more than 15 crores. The outcome of the research projects has been commercialized through a company for the benefit of aquaculture industry. Two products, namely Dr. Sahul's PCR kit for detecting shrimp viruses and Immuzone (herbal immunostimulant) to enhance resistance in shrimp have been commercialized. Few more products are in the process of commercialization.

The AAHL has collaborative research with various National and International Organizations. Some of them are CUSAT, Cochin, ARI, Pune, CIBA, Chennai, CIFE, Mumbai, NBFGR, Lucknow, CIFA, Bhubaneswar, University of Madras, Annamalai University and Jammu and Kashmir Agricultural University, University of Montpellier, France, Institute of Marine Research, Bergen, Norway, Southampton University, UK, St. Andrew University, UK and University of Kelaniya, Sri Lanka.

Recently, DBT funded National Repositories for fish cell lines and viral pathogens of aquatic animals have been established to provide service and training to the researchers in the field of aquatic animal health management.

The AAHL has excellent facilities with wet lab facility and is equipped with modern biological equipment and has 24 hours uninterrupted power supply. The AAHL has a well-established cell culture facility to develop and characterize cell lines from economically important fishes.

In AAHL, research on fish cell line was initiated in 2003 and India's first marine fish cell line was established in 2006. Twenty seven cell lines from a variety of marine, brackishwater and freshwater fishes have been established so far. These cell lines have been used for carrying out work related to virology, toxicology and gene expression studies and so far, 28 papers using these cell lines have been published in International journals. All these cell lines have been deposited in NBFGR Fish Cell Lines Repository and AAHL repository for use by researchers.

WORKSHOP OVERVIEW

The objective of the Workshop is to train the researchers in the field of advanced molecular diagnostic techniques in the field of aquatic animal health. The hands-on training program is designed to cover all kinds of applications of advanced molecular diagnostics. The highlights of the training program will be on hands-on experience and skill development of the participants. A 6 Day workshop has been planned with practical hands-on training on advanced molecular diagnostic techniques which include: Primer designing, PCR, RT-PCR, Real-time PCR, Molecular Cloning, ELISA and Western Blot analysis.

WORKSHOP HIGHLIGHTS

- ✓ PCR, RT-PCR and Real-time PCR techniques using OIE listed viral, bacterial and fungal pathogens of shrimp.
- ✓ Hands-on practical experience supplemented with theory classes to be conducted by experts in the field of molecular techniques.
- ✓ Study materials will be provided to the trainees for better and comprehensive understanding.
- ✓ Limited seats to ensure effectual hands-on individual training (Enrolment is limited to 10 candidates).

Eligibility

PG students, PhD scholars, Faculty, Scientists as well as people working in industry in the field of Biotechnology, Life Sciences, Medical Sciences, Pharmaceutical Sciences, Chemical Sciences and related subject areas.

Registration Fees: Rs. 3,000/- payable by DD in favour of "The Principal, C. Abdul Hakeem College" payable at Melvisharam (Registration fees include tuition, workshop material, working lunch and Tea).

Number of participants: 10 participants (on first come first serve basis).

Last date for registration: 25th January, 2018.

Intimation to selected candidates will be sent on or before 5th February, 2018.

Workshop Dates: 12th to 17th February, 2018.

Workshop Timings: 09:00 am to 6:00 pm every day.

WORKSHOP CERTIFICATE will be issued to all participants on last day.

Accommodation

Accommodation will be arranged in Gents and Ladies hostels for male and female candidates, respectively with nominal charges which should be paid by the candidates. Registration fee is non-refundable.
